

JNS Online Lecture

The disasters in Edo witnessed by the Head of the Dutch Trading Post

Speaker: Professor Frederik Cryns

The JNS Online Lecture invites **Professor Frederik Cryns** from International Research Center for Japanese Studies. Please join us to enjoy this very precious opportunity!

The diaries of the past heads of the Dutch Trading Post are stored at National Archives in Den Haag. These diaries are full of information that tells you about the society and culture of old days in Japan. Prof. Cryns studied about the disasters described in detail in the diaries. Prof. Cryns will tell us how the people survived in Edo era, when we had as many disasters as today.

If you are worried about preparing and using Zoom for watching the movie, please contact the Secretariat.
