

2023 New Year Online Event

Discovered in the Netherlands! Keiga Kawahara's folding screen

We are pleased to inform you that New Year Online Event will be held as an alternative of the 2023 JNS New Year Party, which has been cancelled due to COVID-19. Dr. Daan Kok, a curator of National Museum of Ethnology Leiden will talk about Siebold's personal painter, Keiga Kawahara this time. Keiga Kawahara was active in Dejima, Nagasaki in the late Edo period. The Museum restored the only surviving folding screen created by Keiga Kawahara around 1836 over a period of two years through crowdfunding and opened it to the public last year. Dr. Daan Kok will explain the folding screen and introduce some of the museum's valuable exhibits.

You also have a chance to receive a small gift by lottery at the end of the event. Please join us to enjoy this very precious opportunity!
